

CALLING ALL CAREERS ADVISORS

FANCY A DAY IN THE DRIVING SEAT?

We want to tell you about how we keep the North moving, our plans for the future and what an exciting time it is for rail and TransPennine Express. There are lots of opportunities coming our way and we want to make sure that you know about them so our students of today can become not only our passengers but our employees of the future

If you would like to spend a day travelling our TransPennine network, enjoying the views and hearing all about what we have to offer then please get in touch. Simply email laura.gamewell@firstgroup.com
